

# Laura Márquez Tur

Ibiza, February 26<sup>th</sup>, 1993

## Academic education

---

MSc, Biodiversity Conservation Techniques and Ecology | Universidad Rey Juan Carlos (URJC), Madrid. (2017-2018)

BSc, Environmental Sciences, specialized in Analysis and Territorial Management | Universitat Autònoma de Barcelona (UAB), Barcelona. (2013-2017)

## Languages

---

SPANISH **Level: native**

CATALAN **Level: native C1 (2012) | IES Sant Agustí, Sant Agustí des Vedrà.**

ENGLISH **Level: First B2 B (2013) | Cambridge ESOL FCE.**

## Professional experience

---

**Technician (T5B) | Ecological and Forestry Applications Research Centre (CREAF), Bellaterra.** (Apr-May 2019)

Collection, taking of biometric measurements and processing of vegetation samples; Surveys and classification of arthropod samples (edaphic fauna) within the framework of the LIFE+ THE GREEN LINK project.

**Internship | Ecological and Forestry Applications Research Centre (CREAF), Bellaterra.** (May-Sep 2017)

Soil analysis (texture, organic matter, pH, conductivity and chromatography) under the LIFE+ MEDACC project; and classification of arthropod samples (edaphic fauna), soil analysis and productivity under the frame of the FERTICCHAR project.

**Internship | Ecological and Forestry Applications Research Centre (CREAF), Bellaterra.** (Jun-Jul 2016)

Classification of arthropod and leaf litter decomposition samples from French Guiana under the IMBALANCE – P project.

## Others

---

Assistance to the XVIII Conference of the Iberian Group of Arachnology | Museu de Ciències Naturals de Barcelona, Barcelona. (Oct 2018)

Second prize of the VI Edition of the Environmental Science Awards in the category of “Project of final studies 2017” | Col·legi d’Ambientòlegs de Catalunya (COAMB), Barcelona. (Dec 2017)

Diagnostic and problem-solving course in statistics with R | Universidad Rey Juan Carlos, Madrid. (Oct 2017)

Assistance to the XIV Portuguese-Spanish Congress of – XVIII Spanish Congress of Herpetology | Fundació Universitat de Lleida, Lleida. (Oct 2016)

Assistance to the International Seminar on Wildlife Rehabilitation and Rescue | Institute of Tropical Biodiversity (IBT), Barcelona. (Apr 2015)

International Course on Wildlife Management and Biosecurity | Institute of Tropical Biodiversity (IBT), Barcelona. (Dec 2014)

Driving license: category B (Dec 2012)

## Personal skills

---

### **Social skills**

- Capable of both teamwork and autonomous work.

### **Organization skills**

- Organizational and planning skills
- Ease of learning
- Meticulousness

### **Technical and computer skills**

- Geographic Information Systems (MiraMon, ArcGIS and QGIS).
- Statistical analysis and programming with R.
- Microsoft Office components (Word, PowerPoint, Excel, etc.).
- Other applications at user level, internet knowledge, social networks and information search resources.
